

2012 REU Application Form

SRI International
Molecular Physics Laboratory
May 29, 2012 – August 17, 2012

Name: _____

Current Address: _____

Telephone: _____

Parents' Address: _____

Parents' Telephone: _____

E-mail at school: _____

Alternate E-mail: _____

College or University: _____

Major: _____

Overall GPA: _____

GPA in Phys. Sciences: _____

How did you hear about the REU program at SRI?: _____

Which year are you attending now? Freshman Sophomore Junior

Explain if none of the above _____

When do you expect to graduate? _____

Citizenship or residency status (check one): U. S. Citizen U. S. Permanent Resident
(U. S. Citizenship or Permanent Residency is a required qualification for the REU Program)

Ethnic Background (optional): _____ Gender: Male Female

SRI International is an equal opportunity employer and adheres to all State and Federal regulations. The REU program welcomes applications from women and members of the under-represented minority groups.

2012 REU Application Form

Are you available for the period May 29 to August 17, 2012?

Yes No

If no, please suggest an alternate 12-week period: _____

The following research areas are offered in our REU program. Please indicate the areas you would like to work in and provide a ranking number (1-5) in order of preference.

_____ Atmospheric Chemistry

_____ Biomedical Optics, Biophysics and Microfluidics

_____ Non-Linear Optics

_____ Laboratory Studies of Terrestrial and Planetary Atmospheric Processes

_____ Mass Spectrometry

In addition to this application form, include the following materials:

- A personal statement of 1-2 pages briefly describing your educational background and goals. Include any laboratory or research experience, and your experience with computers, programming, electronics, lasers, or optics. (please send it with the application form.)
- Two letters of recommendation (can be sent to us directly by the referring parties via e-mail, fax, or US mail)
- Official transcripts (can be sent to us directly from the school)

Application Deadline: February 13, 2012

Please send all materials as early in 2012 as possible, as applications will be screened as they are received. The application form can be mailed/faxed/emailed to:

REU Program - PS087
