Got hot flashes? We need you for a study about menopause, hot flashes, and sleep

You may qualify if:
✓ You are between the ages of 46 – 58 years old
✓ You have started to skip or miss periods or have stopped having a period altogether
✓ You are not using Hormone Replacement Therapy (HRT)
✓ You are not CURRENTLY taking medication for anxiety or depression.

The study is being conducted by the Sleep Research Laboratory at SRI International in Menlo Park, CA.

This study involves 2 overnight sleep studies at the SRI Human Sleep Research Laboratory, scheduled at your convenience. There is no treatment or medication involved in this study.

You will be compensated $250 for your time and travel

For more information, please contact the sleep laboratory:

(650) 859-2586 or sleep@sri.com
